## Acquired Structure Release Form

Having agreed with the Evendale Fire Department, that a structure owned by me and located at

Address \_\_\_\_\_

is available for fire department training exercises, I further agree that the structure will be left in the following condition:

\_\_\_\_\_ No damage to structure

\_\_\_\_\_ Damage to walls, ceilings, roof and floors allowable

\_\_\_\_\_ Structure to be demolished by fire department

---

If training involves any destruction of building structures or content that may contain asbestos, then building owner must supply documentation that an inspection, by a licensed asbestos inspector has been conducted and that structure contains no asbestos. If asbestos is present, no destructive training shall take place until abatement is completed in accordance with applicable federal, state and local regulations and documentation has been provided to the fire department.

\_\_\_\_\_ No suspected asbestos

\_\_\_\_\_ Building inspected for asbestos, none present (see attached inspection documentation)

\_\_\_\_\_ Building contained asbestos and it has been abated (see attached documentation)

---

I further release the Village of Evendale and the Evendale Fire Department from any claim for loss from such demolition.

Owner/Agent \_\_\_\_\_ Date \_\_\_\_\_ Print Name \_\_\_\_\_

Owner/Agent \_\_\_\_\_ Date \_\_\_\_\_ Print Name \_\_\_\_\_

Witness \_\_\_\_\_ Date \_\_\_\_\_ Print Name \_\_\_\_\_

---

Fire Department use of the structure is complete; building owner/agent has been notified.
